Entertainer Sponsored by **Comedian, Grant Turner**

Grant Turner is funny. He says funny things and he says things funny, which makes him both a stand-up comic and a comedian. He is funny in stereo! A native of Decatur, Georgia, Grant graduated from the University of Georgia intending to go into advertising. After two years at an Atlanta ad agency he was fired, however, and when his unemployment check stopped coming (something they did back then), he decided to pursue his hobby full-time. That was 30 years ago! He stole the performance at the Alabama Theatre's "One The Show" in North Myrtle Beach, South Carolina for over 30 years.. You won't want to miss the smart humor of funny man, Grant Turner. He might be the funniest guy you've ever seen in your life, "You don't know!"
